BIG BOOBS? SMALL BOOBS? THREE BOOBS? LET US KNOW WHAT YOU WANT IN YOUR MAG!

NATURAL PLEASURES

Now, I haven't got a problem with models with fake tits. In fact I really enjoyed checking out Nikki Benz in *MensWorld* Vol. 22 Issue 4, and I thought she looked really sexy on the cover.

However, my preference is for natural girls with natural boobs, and I wanted to congratulate and thank you for cramming last month's issue with babe after babe of this type.

Zoe has long been a favourite of mine and it was great to see her shapely little body back in *MensWorld*, and Renee is a real cutie, but out of the numerous 'untouched' girls you've featured in recent issues my favourite was Sunny Lane.

I know now that she's an American pornstar and famous for her big arse, but I'd never seen her before I clapped eyes on those pictures, and I thought she looked bloody fantastic.

Okay, so I'm guessing she wouldn't be to everyone's taste, but with curves in all the right places, a lovely round bum and bouncy tits that are just the perfect size, Sunny is my new favourite model, and I can't wait until you feature her again. Thanks and keep up the good work!

Barry, Swanage

SHAWN AGAIN

The other week I bought your *Best of MensWorld*, and I just wanted to thank you for featuring all those gorgeous women in there for me to wank over.

Most of the girls were great, but my favourite model in there was the American porn star Shawna Lenee, because I love blondes with big tits! Really, it's that simple for me, I can get off over girls like that all day. Please, I want to see more Shawna!

Ian, York

We work hard to get the blend of natural and fake-boobed girls right in MensWorld, as our readership appears to be split right down the middle on this one.

Nikki Benz, with her huge artificial baps, got some great feedback after the appearance that Barry mentioned in Vol. 22 Issue 4, as did Ian's favourite, Shawna Lenee, for her chesty showing in the recent Best of MensWorld.

However, on the flipside, the very curvy and entirely natural Sunny Lane was equally well received for the shoot that Barry raves about in his letter, giving us a bit of a balancing act to sort out with regards to the type of models we feature in the mag.

If any more readers have a particular opinion on the 'natural versus fake' debate then feel free to let us know, and as for Sunny Lane, we hope to have her gorgeous and completely untampered with body back in the magazine very soon.

A BRIT OF ALRIGHT

Sasha must be the hottest new British girl I've seen in *MensWorld* for years, and I'm hoping she's going to be the start of another 'boom time' for homegrown talent in the magazine. I loved it when Jo Guest was a regular, and I also used to like Brit babes such as Renee Richards and Suzie Best, who haven't been in *MensWorld* for ages now.

Yes, British girls have definitely been a bit thin on the ground recently, but perhaps the appearance of Sasha can tease a few – new and old – out of the woodwork.

In the meantime, please can we see some more of the extremely lovely Sasha?
Gavin, Carlisle

Yes Gavin, Sasha was quite the discovery, and in terms of finding British girls a little bit like stumbling upon an oasis in the middle of the desert.

There really is a lack of homegrown talent on the scene at the moment, but things are actually showing signs of picking up, and proof of this can be found in our Britain's Got Totty competition. If you don't know about it already, a gaggle of gorgeous British girls – both established and new to the scene – are going head to head in a bid to find who is the hottest, and you can find out how to vote for your favourite in this very magazine (see pages 62 and 63 for more info). Gavin, Sasha is in there, so you might want to show your support.

Who knows, if the competition is a roaring success then maybe that will inspire more horny homegrown girls to get involved in the industry or return to the fold after 'retiring', but only you guys can make it a success by voting for your favourites!

NATALI

PHOTOGRAPHY: STEVE COLBY

WWW.PDFMAGAZINES.ORG

When Natali first appeared in *MensWorld* a couple of years ago she was very much the 'teeny type', bouncing around looking all smiley in tight top and mini-skirt.

Now while that was all well and good, there has to come a time when a model goes from perky princess to fully-fledged beauty and – my word – hasn't Natali blossomed?

Bright colours and flirtatious antics are replaced by a rather more demure look, with floaty blouse and sultry smiles revealing a mature and sophisticated side to this big-breasted blonde babe.

Well, we prefer the new look, and hopefully Natali will be back to show us more of her 'demure side' very soon…

BIRTHDAY PLEASANT!

Most surprise parties involve a bunch of people jumping out and yelling "Happy Birthday!" at some poor unsuspecting idiot. Mine involved me coming in my front door to find my girlfriend Claire splayed out on the rug by her mate Judy and my ex, Mary, getting her tits sucked and pussy fingered. What's a birthday boy to do but get his dick out and dive in?

I love to fuck Claire's permanently juiced-up fanny, but I didn't have the heart to interrupt the frig-fun. It would feel hotter and tighter after she'd cum anyway. Besides, I'd never turn down a blowjob, and she was telling me to jam my prick in her mouth, deep as I liked.

As she began to suck my helmet, mouth sealed around the ridge, Judy went down on her, lapping at her clit. All the while, she and Mary pulled Claire's pussy open. And while I'd licked it often enough myself, this was the most tempting it had ever looked, stretched pink and shiny, twitching as her bud got tongue-flicked.

As my cock throbbed in her mouth, Claire switched to jacking me, telling the girls I was ready to cum. They lined up in a row, mouths open and I just let go, spraying them with jizz.

They licked it off each other, becoming a mass of writhing limbs, Judy and Mary sixty-nining now, while Claire just licked and stroked whatever took her fancy! She asked me who I wanted to fuck first. Mary has one of the tightest cunts I've ever fucked, but I'd been wanting to bang Judy for a while now and her arse was already perfectly positioned.

I fed Mary a length of dick and, after a slow, strong suck, she wedged my knob into Judy's snatch. It clamped tight, then pulsed around my shaft – I tried to keep still, to relish this, but the temptation to start pounding her hard was just too much to resist. I fucked that slippery, squeezing tube, skin slapping and balls swinging in a blur, right above Mary's face.

She crawled out from under us, straddled Judy's bum and shoved her own wet slit right in my face. She was so wet I felt like my tongue was going to slide in right down to the root. And as she frigged her own clit, the juices just kept flowing.

I had to pause, regain control. But, almost instantly, Claire took the opportunity to start licking and sucking my balls. She knows exactly how to get me shooting my mess, sometimes too fast, so I just went back to fucking Judy instead. Immediately, Claire got in position, so Mary could eat her arse.

It was like having my own private orgy. Three hot women vying for my dick – I knew any time I was hard, I'd immediately get sucked or fucked. Now I was banging into Judy's twat, my face mashing into Mary's slit so hard and deep I wished I didn't have to breathe. Then I was groaning into it as my nuts bunched up and I shot my load.

I pulled out and Mary backed up so I could carry on eating her. And my cum hardly started dripping out of Judy before Claire was helping herself to it, face first. They fucked me way beyond my usual limits and, late the next morning when Judy and Mary finally left our place, Claire was ready to go again and grasping at my dick.

I ran my hand over her curves, caressing her arse as she wanked me, and I felt a warm slick of lube. She felt my shaft judder in her hand when I realized she wanted it in the arse. Anal isn't an everyday treat for us, but now we had time to take it slow and easy, for her to savour every inch of my dick penetrating her bum.

I took it slow and steady, grinding her cheeks apart. Then, as my balls seized up, I shot blast after blast of cum deep in her arsehole. I guess I don't need to say

AS MY BALLS SEIZED UP, I SHOT BLAST AFTER BLAST OF CUM IN HER ARSEHOLE

it was easily the best birthday surprise I'd ever had…

Robert, Tranmere

NATIONAL DAMP POONS VACATION

I love to travel and I'm fine with going on my own, especially now that there are plenty of websites that hook you up with friendly locals who show you the sights and the fun places in town.

On my last trip to Eastern Europe, I hung out with a fit blonde named Frida. She was extroverted and very tactile, always touching me as we spoke and making eye contact. I just thought it was a cultural thing at first, then realised maybe she was flirting with me.

She'd already said that I could crash at her place, save money on a hotel room, and though I had the option of her sofa, I ended up sharing her big bed so we could talk. For a few minutes we just lay there, then she rolled over to face me and started to stroke my hair. I sighed, and she pecked me on the lips, just testing, so I kissed her back deep, using my tongue.

As she ran her hands over my curves, she hiked up the T-shirt I was wearing and sucked on my tits, getting my nipples hard. Then she crouched over my face.

She began to rub her clitoris and, as I saw the juices well up in her slit, I just stuck my fingers out to catch them. I licked them clean, and she smiled, asking if I wanted a proper taste. Then she settled, slowly and gracefully, over my face.

I just took in the turned-on scent of her at first, soft and musky, then I began licking up her wetness. She tasted so sweet, so sexy. I really don't go looking for holiday fucks, but if they find me, I'll relish every touch, every drop of jizz and cunt cream.

Suddenly, she pulled off of me, only to spin around and face my feet. Her cunt sank down on my face again, then I felt her mouth connect with my pussy. She fucked her tongue in like a cock, then rasped it right back out.

I obviously wasn't as experienced with other girls as her, but I tried all the tricks I knew. I sucked her clit, then wet a finger in her pussy before sticking it in her arsehole. My ex was into bum fun, and that would get me cumming so hard I'd shiver all over.

Part of me was hoping Frida would have some toys to play with, but she seemed to be more of a tongues and fingers girl – at least for now. And she was loving what I was doing to her arse, so I dripped more saliva on her, and got three fingers deep inside her bum.

My mouth was frenzied on her clit, her bumhole tightening in waves as she got closer to orgasm. Then, all of a sudden, she came and a load of juices spurted out from her cunt. I never realized you could do that from anal. Because it took me by surprise the first time, I wanted to see it again. This time I laid Frida on her back, lights on, and did as she told me, slipping my fingers in her cunt, curving them a certain way until I got exactly the right spot, then circling my other fingers on her swollen clit. I took it slow, just feeling, watching, seeing the ripples of ecstasy spread and run through her entire body.

As her arse bucked off of the bed, her moans became screams, but I held on until, with a loud cry, she shot out a big, wet stream of girl cum. I caught some on my tits, put my mouth ready as I coaxed out one more, then I pulled out my fingers and ate her pussy.

I missed out on sightseeing the next day, though no sight in the world could beat Frida's pretty pink pussy. I suppose it gives me an excuse to return – she says I'm welcome to sleep over anytime. I think I might take her up on the offer…

MARKETA

PHOTOGRAPHY: SCOTT WARD

WWW.PDFMAGAZINES.ORG

She's cute, she's sexy, and she's got a funny name – everything you'd expect from an Eastern European hottie.

Why do so many beautiful models come from that part of the world, I hear you all asking. Well it's a good question, and one we decided to put to the naughty little brunette over coffee and a platter of Mr Kipling's French Fancies during the mid-morning shoot break.

"I think there must be something in the water, either that or we just love showing our bodies off!" she said with a smile. "I'm sure there's just as many gorgeous girls in England, but maybe they're just too shy to take their clothes off in a magazine."

It was an interesting and quite possibly valid point, and one we might have discussed further had it not been time to crack on with the task at hand – namely taking pictures of Marketa's pert little body in various states of undress.

It's a tough job but someone's got to do it, as they say, and shyness definitely isn't something that this little bundle of fun suffers from, and that's a characteristic that stretched to the way in which she hungrily despatched all the pink French Fancies without even asking us which colours we wanted. But on the face of it, we decided to let her off…

TEXAS INSTRUMENTS

With a bum the size of the US state she takes her name from, there isn't much space in the room once Alexis Texas shakes her money maker. Emma Edwards squeezes in though...

Interactive Sex With Alexis Texas
Starring: Alexis Texas, Charley Chase, Monique Alexander, Marco Banderas, Mr. Pete, Chris Johnson, Dane Cross, James Deen.
Directed By: Mike Quasar.
Available From: Zero Tolerance.

Alexis opens up the most sought-after arse in the world.

Born a military brat of Puerto Rican, German, and Norwegian descent, this voluptuous beauty from the outskirts of Texas has made a remarkable impact on the adult industry since joining its ranks back in 2006. She, along with an ass that needs no introduction, has almost singlehandedly broken down the physical barriers and stereotypical views of what a porn star ought to look like. Together they have opened up the world to a completely new breed of hometown hotties whose sheer popularity is based upon their natural born curves and their ability to melt the screen with genuine sex appeal.

Deserving of being immortalised in a film that's all about her, director Mike Quasar presents Alexis like never before. Here, through a fully interactive experience that puts the viewer in control of Alexis' every move, she goes the distance in this new release by Zero Tolerance. Joined by a handpicked selection of her favourite performers, the result is an intimate encounter full of hardcore surprises that Alexis Texas fans shouldn't live without.

Hot with anticipation, one of those surprises is already underway when I walk onto the set to find Alexis Texas sprawled out in a face down, ass up squat with Mr. Pete's prick smacking against her cheeks. After some more cock assault to her pretty face, Alexis grabs the meat at its base and paints the tip around her mouth like lipstick. “How badly do you want me to stick this in my mouth?” she teases, as her words literally have Mr. Pete growing in her hands. Without any audible reply, Mr. Pete's answer is heard loud and clear by his set of nuts that are now hardened and raised into his groin.

Finally, Alexis opens wide and allows his Italian sausage to slip to the back of her neck. Without any outwards signs of a gag reflex, the stick continues its progress until Alexis' mouth

Everyone wants to drive Alexis.

Ah, the bittersweet joys of POV.

is rimmed with his shortly cropped pubes. With watery eyes, she keeps the cock steady. She eventually eases off it to release pools of saliva and to catch a much-needed breath of air. "Damn, this cock is good!" she smirks.

The duo continue on with Mr. Pete arranging Alexis on his lap, so she can ride him out in her signature move, cowgirl. With an ass that has a mind of its own, Alexis' double bubble starts gyrating and clapping together at such alarming rates of speed that it renders the room in a near hypnotic state. "You like watching that booty quake?" she sighs over her shoulder, as we all fold our tongues back into our mouths.

"How about I shove this prick in my ass?" she announces again. What? This is exactly what she does. Turning her body around to face the camera in reverse cowgirl, Alexis slips the cock between her ass cheeks and starts pounding down like a jackhammer. Mr. Pete sinks his paws into the curvy flesh around her hips and has no choice but to hold on. This carries on for several more minutes, followed by two more anal positions before Alexis is found slurping on the creamy fruits of her labor. Hot isn't even the beginning.

After an extensive hair and make-up redo, Alexis ascends from the wardrobe room looking every bit like Daisy Dukes. With her long blonde hair styled underneath a cowboy hat, to scissor-cropped denim shorts that are permanently wedged up her pussy and ass slit, Alexis looks amazing. It's quite another surprise when Monique Alexander follows right behind her, looking just as sensational.

Both girls have been flirting with each other all afternoon. They are already in position outside on a western blanket. With palpable anticipation for each other that can be felt throughout the set, the girls begin tongue kissing before Quasar is actually ready to begin. When he's up and running, he gets his camera as close as he can to capture the sweet kissing and the tasty spit stringers that are connecting their lips together like glue.

"I've been thinking about you all day," Monique smiles, as she glides Alexis' top down to run tongue circles over her red bra. Alexis finishes the job by yanking both titties out and hand feeding them to Monique. "So fucking delicious," Monique continues.

"Lets see what I'm working with," Alexis smirks, pushing Monique on her back and peeling off her panties with her teeth. As her panties rest at her ankles, Alexis looks pleased when Monique's beefy beaver blossoms open like a fried onion. "You have a thick pussy like me," Alexis continues, grabbing Monique's substantial pussy lips between her mouth to suck on the crinkly meat.

This has Monique flopping around and leaking her delights in a matter of seconds. Quick to capitalise on the great cunt laid out before her, Alexis maintains a steady grip on her clit while probing her hole with a hot pink vibrator. "Don't stop. Don't stop. I'm gonna pop!" Monique later exhales once Alexis hits her spots in all the right ways.

From here, the girls switch places rendering Alexis on her hands and knees in a perfect doggie position. Monique goes right to work with both tongue and toy until her girl is dripping with the same delights that she just experienced minutes before. "You can't ask for better than that!" Quasar exclaims, obviously thrilled with what he's just captured. Just when I think their scene is over, Chris Johnson strolls onto the set with his cock in hand. Both girls crawl over to him, deliver a slobbery enriched double blowjob, and don't let up

until both mouths are drenched with cum!

Later still, Alexis is joined by Marco Banderas. Having worked together on numerous occasions, both performers are more than excited for another go around. Like the times before, Alexis strolls onto set looking every bit as glamorous as the silver screen goddesses of late. This time she's perfectly accented in a black bra set, dripping with onyx jewels around her neck and over her wrists.

"You look beautiful," Marco compliments in his Spanish accent. Alexis seductively smiles, bats her lashes and takes her position on her back. In what is shot in a P.O.V. style, Marco's face is never seen. All we ever see is his cock penetrating her holes. For what will be a display of missionary sex that can be chosen by the viewer, Alexis holds her legs back and pushes her panties to the side. Hard as a rock from the start, Marco eases himself right into Alexis' hole. Without the need of synthetic moisture, Alexis' natural sauce coats and cushions his ride. Not holding back, Marco fucks Alexis hard, causing her at one point to shove the necklace of jewels into her mouth. "More baby. More!" she continues to shout as the jewels are now a twisted mess in her fists.

MARCO PULLS HIS COCK FROM HER BEAVER AND SLAMS IT IN HER BUTT

The fuckers continue for several more minutes until Quasar interjects, "Are you ready to go anal?" Again, my gum falls from my mouth. Anal twice in one day? She nods her head and soon thereafter, Marco pulls his cock from her beaver, spits a wad on its tip, and slams it up her butthole. Never flinching once, Alexis takes his cock like a pro and even encourages him to go deeper and faster. He does precisely what is asked of him, ending their encounter in a shower of cum that seals their union perfectly.

The last scene witnessed has Alexis sandwiched between Marco and Charley Chase. With both girls done up to look like delectable porno sundaes, each girls commits their mouth to a portion of Marco's body. Charley attends to his balls, while Alexis is out to work her magic by sucking on his wand. Marco places a hand on both heads and watches their mouths fill up with choice pieces of his meat. In time the girls switch places with Alexis flicking her tongue over his danglers. After several more minutes of disconnected oral play, both girls wrap their lips around his cock and suck in unison.

"It's my turn," Alexis soon calls out. She opens up her legs to Marco and once again he slips his cock right between her thick thighs. Charley is quick on hand to lap up every ounce of cooze that drips from Alexis' snatch. Every now and again, she even takes it upon herself to pull Marco out completely so she can slurp on his soggy stick. "Ah, this tastes so sweet. I can't get enough!" she whimpers.

Alexis treats Charley to the same oral love when it's her turn to be pricked by Marco's stinger. Just like Charley, she too is more than happy to play the role of merry maid when lapping up the sex liquid that is churning up between their crotches. "So hot!" Alexis continues, when playing in the webbed mess. Their scene also ends in bucket loads of cum. Although my time on set ends here, there is a full day's worth of fucking tomorrow that has Alexis mixing middles with even more stars.

With Alexis opening up like never before, *Interactive Sex With Alexis Texas* gives us a unique glimpse inside of her private world by revealing juicy details about her life and the things that turn her on. Perhaps the word 'glimpse' is far too subdued for what lies inside. A smothering would be more apropos. Check it out and discover finally why everything is bigger and brighter deep in the heart of Texas.

SONJA & NIKKI

PHOTOGRAPHY: VLT

WWW.PDFMAGAZINES.ORG

Sonja and Nikki are two genuine superstars of the adult industry, so you can imagine how excited we were when we got them back in the studio together for some filthy lesbo action.

Thankfully, the horny Euro hotties lived up to all the expectation, going at it on the bed like a couple of randy little rabbits. So what was the deal, had they not had a shag in a while or something?

"Oh no, far from it!" exclaimed Nikki. "I've been looking forward to getting together with Sonja again so much that I just couldn't help myself. She's soooo sexy!"

"Not had a shag in a while? You cheeky bastard!" laughed Sonja. "I was with this bloke the other night and all I could think about was seeing Nikki again. Still, the guy was happy because he made me cum about four times!"

Yes, if you couldn't already tell from these pictures, with Sonja and Nikki it was a real love-in.

ANDIE

PHOTOGRAPHY: HICKS

WWW.PDFMAGAZINES.ORG

Californian hottie Andie Valentino has become a bit of a *MensWorld* favourite over the last couple of years, and we often get letters raving about what an incredible body she has, and how her tits are so beautiful and plump, and how her arse is so peachy, and how she always looks so filthy and up for a good shagging, and… well, you get the point, Andie is very popular with our readers.

Who knows, you might even have sent us a letter about her yourself at some point, and if you're the Rob from Ipswich who said he'd like to see more upskirt shots of the gorgeous Ms. Valentino so he could feast his eyes on those juicy pussy-lips of hers, here you go – the Ed. passed your request on to the photographer, and we think he's done a cracking job in making it happen.

To be honest, I hadn't realised just how well-endowed Andie was in that department until I saw the pictures myself, and I challenge any reader not to be mesmerised by the thought of those plump lips massaging your cock as you pump it in and out of her pussy.

Alas, before you all start writing in, asking if we can make that happen for you, put down your pens! If we thought in a million years that she'd be up for it we'd be requesting that one for ourselves!

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: World Cup WAGS – Coleen Rooney vs. Sarah 'Schweinsteiger' Brandner

Pedigree

Rooney

Born in Croxteth, a shithole in Liverpool, Coleen's upbringing was far removed from the world of the WAG. Her own quest for fame and fortune peaked with a small role in *Hollyoaks*, but when the acting went tits up it just happened that Coleen was married to Wayne Rooney who, with his salary at Everton, could afford to buy them a mansion somewhere nice.

Brandner

Leggy blonde Sarah was approached on the street by a modelling agent when she was aged just 15, and in no time became a jet-setting catwalk star. She's worked in Paris and met Sting, carving out a successful career for herself before she'd even met facially-challenged Bayern Munich superstar Bastian Schweinsteiger.

Round 1: Cynics have said that Coleen is only famous because of her husband, but does nobody remember that part in *Hollyoaks*? Brandner might be a highly successful model, but Coleen takes the first round on the basis that we can't find a record of her ever namedropping Sting.

Romance

Rooney

Wayne and Coleen, or Wayleen to the twats that read *Hello* magazine, had their first date when they were both at high school, with Wayne asking Coleen out while he was fixing her bike chain. A shameless romantic, he took her to see *Austin Powers 2: The Spy Who Shagged Me*. In a move that has since earned him the nickname 'The Croxteth Casanova' Wayne proposed to Coleen on a BP garage forecourt.

Brandner

Sarah and Schweinsteiger met in a swanky fashion boutique in Munich. He saw a gorgeous girl shopping for clothes and it was love at first sight. What Sarah thought when she clocked 'Schweini's' bulbous face is anyone's guess, but the pair now live together in a flash apartment and enjoy cuddling and watching DVDs whilst sat on their 'love seat', which is embroidered with the initials S and B for 'Sarah' and

Round 2: Love at first sight and personalised seating is all well and good, but it's no match for the urban romance of bike repairs, multiplex cinemas and 24-hour garages. Smell the diesel fumes and Ginster's pasties as Coleen chalks up the second round.

Career

Rooney

Coleen was once ridiculed by the tabloids for having no class, but the Croxteth Princess won a place in the nation's hearts when she forgave hubby Wayne for allegedly nailing a dirty old prossie.

After getting her own TV show, *Coleen's Real Women*, writing an autobiography and launching a range of fragrances, she is now apparently everyone's 'Favourite Girl Next Door'. However, only those who live next door to the Rooney's multi-million pound mansion in Cheshire could confirm this status for sure.

Brandner

Stunning Sarah is a model in demand, and only recently posed for the prestigious Swimsuit Edition of *Sports Illustrated* magazine in a 'body-paint' Germany kit that left very little to the imagination.

Round 3: Writer, presenter, fashion icon... Rooney has achieved all these things without being very good at any of them, making her German rival look like little more than a one-dimensional clothes-horse who has rather naively worked hard for her success.

Sex appeal

Rooney

Coleen is an attractive woman, and like Blue Nun her image has been improved by a recent overhaul. However, the real beauty of a down-to-earth girl like her is that behind all the stylists and PR svengalis is a working-class lass who is likely to be 'pure filth' in the bedroom.

Brandner

Sarah is the kind of girl who is made for those 'it's a fit bird!' crowd shots channels turn to when the game is a load of shit – perfect for when Schweinsteiger's Germany are in action.

Of concern, however, are her angelic features, which give rise to the suggestion that she doesn't swallow and wouldn't do anal.

Round 4: Working class roots mean Coleen would be no prude in the bedroom, whereas Brandner's delicate nature suggests 'tepid' in the sack. Another round for Rooney.

Love of Alcohol

Rooney

Recently sighted in a dodgy Croxteth boozer, no doubt filling up on Bacardi Breezers and white wine, Coleen is the type of girl who you can imagine bent double, throwing up into a bin in Liverpool town centre after a wild night out with friends.

Rumour has it that when she returns from a hard day being 'people's champion' Coleen loves nothing more than to put her feet up with a bottle of Lambrini and a long straw, slurping the lot before hurling into one or both of Wayne's Manchester United slippers.

Brandner

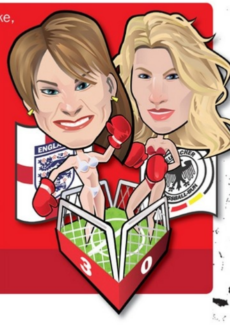
Photographed at a 2008 European Championship match carrying two pints of beer, Brandner is a girl who appears to enjoy a drink. Seeing her coming at you with a couple of cool lagers would be a sight to behold, but something about the slender blonde beauty suggests that she wouldn't approve of heavier boozing. Getting so drunk that you pissed yourself and fell asleep in a cupboard wouldn't wash.

Round 5: Brandner may enjoy the odd drink, but if Schweinsteiger soiled his lederhosen after one too many Lowenbraus he'd be history. Coleen's ability to mingle with the proles in a Toby Carvery, downing Blue WKDs in Armani shift dress and Jimmy Choos, sees her complete the

Result

Result: With national pride at stake, Coleen was always going to need all her tenacity, versatility and working-class wiles in order to prevail for England against her accomplished German opponent.

Brandner might look incredible and be a highly motivated and intelligent career woman, but she was no match for 'Girl Next Door' Rooney who, despite having no discernible talent and looking like any girl anywhere, has yet again punched well above her weight.



ANGELINA

PHOTOGRAPHY: SAGE STYLE

Angelina Armani is one of those porn stars who doesn't make a lot of porn. There are quite a few of them, with things on their CV like 'Adult Star', and then you notice they once put their tongue near a vagina in a lesbo movie 6 years ago. To be honest, it's a bit of a gip. After all, you're not a miner if you're not bringing coal out of the ground. You're not a cook if you aren't putting food on a plate, and you're not a porn star if you don't get dicked or do it with dykes. With a camera and a boom mic in the vicinity.

So what's it to be, Angelina? Now that your dalliance with Digital Playground is over, will you step into the gonzo arena and give your fans the anal scene they crave? A blowbang? Or will it just be some moodily-lit couples movie for one of the big studios, with an over-the-hill stud burping his ball beans onto your stomach?

You're at a crossroads, love, and the *MensWorld* crew would like to be career counsellors for you. You've got everything it takes to be a top echelon screen slut, or you can pack it in and go and work in a burger franchise. In which case, never forget your old friends *MensWorld* when it comes to supersizing our order...

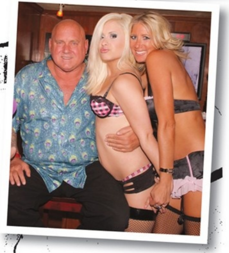
THE WEIRD WORLD OF PORN

Text And Photos By Marc Medoff/Adult Press Service

IT WAS THE COMPETITION OF A LIFETIME – YOUR CHANCE TO PARTY WITH THE PORNSTARS AT NEVADA'S INFAMOUS BUNNY RANCH. AND MENSWORLD READER MARTIN WAS LOOKED AFTER ROYALLY AS HE ROLLED WITH RON JEREMY AND MORE GIRLS THAN HE COULD SHAKE HIS STICK AT…



It was the carnal contest of a lifetime, and longtime *MensWorld* reader Martin Willcock made the most of it. "When *MensWorld* informed me I had won their fantastic contest to spend an all-expenses-paid weekend at the Moonlite Bunny Ranch Brothel in Carson City, Nevada, in the USA, it was like a dream come true," says the Burgess Hill, Sussex resident, "But I knew I had to build up my strength, and get mentally ready for a sexual experience few men ever get to have – being personally tutored in hardcore porn sex techniques from adult film star Ron Jeremy, and then getting to immediately experiment with all I learned on a house full of hot hookers!"

From the moment Martin was flown from Heathrow to the Reno-Tahoe International Airport, he was determined to make the most of his good fortune, and when he was met at the terminal by the official Bunny Ranch stretch limo, stuffed with scantily-clad Bunny Babes and X-legend Ron Jeremy, he knew he was about to have his world rocked. "Hey Marty, welcome to the USA!" Ron called out from the back seat… and what a welcome it was!

Martin was quickly whisked away to nearby Carson City, home to the most well-known legal house of prostitution on the planet – Dennis Hof's Moonlite Bunnyranch. Made famous via being featured for years on the number one HBO reality hit show *Cathouse*, today the Bunny Ranch is considered the gold standard in brothels. With dozens of gorgeous girls on duty 24-7 and a seasoned staff to cater to every customer's particular needs and desires, it is truly a men's paradise-on-earth. And the sex? Anything goes!

Which is exactly what Martin, a middle-mannered bank-worker by day found out rather quickly after checking into his sumptuous private villa located just steps behind the brothel, where a slew of high-class suites are always occupied by Bunny Ranch VIPs. Taken directly into the brothel's main parlour area, Martin was quickly jumped on by a horde of wild Bunny Babes, tearing at his clothing, sticking their tongues down his throat, and groping him from top-to-bottom. "Now there's a true Bunny Ranch welcome!" intoned Ron, "But girls, you're going to have to give us some room, it's time to teach Marty a few of the sex secrets I've learned through my decades in porn."

And with that, Martin's sex lessons began! Using several of the spacious well-decorated rooms that the girls themselves 'entertain' clients in, Ron began to put Marty through a crash lesson in Serious Sexing 101. And the props? Over the course of the next six hours the ladies of the Bunny Ranch excitedly lined up to assist Martin in his training. Miss Christee, Jackie Avalon, Nikki Breeze, Brooke Taylor, Melody Lane, Cami Parker, Air Force Amy, Barbie Girl, Felicia Fox – all happily giving up their mouths, twats, bums and whatever other body parts Ron wanted Martin to explore. And

BUNNYRANCH BLVD
STOP

MOONLITE BUNNYRANCH

did Martin ever explore! While the contest victor was a bit nervous at the start, learning at the feet – and cock – of one of history's most notorious man-sluts would be a bit daunting for anyone – he quickly picked up the pace. Before long, Martin was having sex with three babes at once, while the proud professor of poontang stood by and cheered his charge. "Go for it Marty, you're doing just fine!"

HE HAS THE SEXUAL PERVERSITY TO BE A TOP-NOTCHER IN BED!

And 'fine' was perhaps the understatement of the year for the four days of Martin's stay. Developing deeper (no pun intended) relationships with several of the Bunny girls – Max, Veronica Vavoom, Heidi Lynn, Willow Love, and Vanilla Frost were some of his favourites – Martin found himself having to prepare an hour-by-hour schedule each day, pencilling in which girls he would be boinking at what times, designating some down periods to eat and shower, and finally by about 5AM giving himself and his penis some rest! By the time Ron left the brothel a couple of days in – "Martin was a great student," said Ron, "He had the desire, the stamina, the drive, and most of all, the sexual perversity to be a top-notcher in bed, he'll do just great on his own," – the student had virtually become the teacher, generously sharing his new-found X-talents with the other customers and clients pouring through the brothel doors.

Dennis Hof, the sexual mastermind of the Bunny Ranch who built his business up from little more than a shack in the desert nearly 20 years ago, into the pleasure palace it is today, even made an appearance to greet Marty personally. "We are pleased to host Martin, and participate in the *MensWorld* contest, as we have so many times in the past – send over all your readers if you'd like [what kind of budget do you think we have? – Ed], everyone is welcome at the Bunny Ranch, and everyone is guaranteed a great time!" the gracious host chortled, asking that his good wishes be extended across the pond. "We attract an international clientele, and our overseas friend are very dear to us!"

By Monday morning, with Martin's departure time just minutes away, he had just one last chance to 'meat' special guest porn star Mika Tan, who had only hours earlier arrived at the Bunny Ranch to start a special two-week stay. As with many of the other Bunny starlets, Martin quickly fell in lust. But with time fleeting, and the return limo ride to the airport about to leave, there was little time left for any more porking. Martin had cum, had conquered, and then had cum many more times. And he would return. "I have to thank *MensWorld* magazine, Dennis Hof, Ron Jeremy, and all the Bunny Babes for making my trip to the Bunny Ranch one of the highlights of my life," Martin offered sincerely as the long luxury car pulled into the airport to drop him off. "To be honest, it's difficult to put it into words – so all I can say to anyone reading this, is you have to just come here yourself to the Bunny Ranch, to believe it!"

MODEL BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. BUT EXACTLY WHAT SORT OF NAUGHTY SHENANIGANS DO OUR GIRLS GET UP TO, AND WHAT IS A PORN MODEL'S LIFE REALLY LIKE? EACH MONTH ONE OF OUR FAVOURITE BABES TELLS ALL ABOUT THEIR SORDID BEHAVIOUR…

GEMMA

Hello boys. Gemma's the name, and I've not been in this business all that long. Fresh-faced, eager, and I've got my wits about me too. I've already met a few girls who think getting their knickers off in magazines will get them married to footballers and rock stars, but I know I'm just in it to have fun, get paid, and get some experience under my belt. I'm only just into my 20s and I know that I won't be modelling forever, but while I've got the looks I might as well make the most of them, yeah?

Anyway, like I said, I've not been doing this stuff all that long and the editor of *MensWorld* asked me to tell you all about the craziest shoot I've ever been on. There haven't been that many crazy ones, to be honest, but I can tell you about the very first one I did cos it was one of the weirdest experiences of my life.

I saw an ad in the back of my local paper that was put in there by this glamour photographer. He was looking for new models and willing to pay pretty well for a fresh face to do some lingerie shots. I used to let an ex take pics of me in the nude, so I knew I looked pretty hot without my kit on, but seeing as I was at uni I didn't really think I was the kind of girl they'd be after. I guess in my head I was picturing slutty glamour girls, not an innocent English rose like me!

So I showed up at this pokey little studio, not really sure of what to expect. A girlfriend of mine dropped me off there and made herself known to the guy that ran the place, just in case he was a murderer or a weirdo. When she saw he was pretty cool she was happy to bugger off and leave me there with him.

Now, I dunno if any of you lot have ever had to take your clothes off in front of a stranger before… Well, maybe besides your doctor… Anyway, it's a weird feeling. The snapper, Mark, brewed us both a cuppa and chatted with me about my course (media studies) while I ran the thought through my head that I was going to be disrobing in front of him in just a few minutes. I was trembling with fear and thought about backing out of it, but then I thought about how many vodka shots at the student union I'd be able to get with the cash, so I stayed there, drank my cup of tea, and then got down to business.

Mark was decent enough to let me change to my sexy undies in another room. He had already praised my good looks, saying I was just the kind of girl he was hoping to get from his ad,

I WAS DEEPTHROATING DICK AND SUCKING ON TIGHT-AS-FUCK BALL

IS
S

and now he was gonna get to see my curves in all their glory. The set was a simple sofa in the corner of his studio with a few lights pointed at it, so when I was ready I came out of the lav and strutted over (in stilettos, of course) to my perch.

Now, like I mentioned, this was just supposed to be a lingerie shoot, but I had in mind that the sexier I looked, the more likely I was to get more work, so I was wearing my slinkiest Agent Provocateur undies, sheer silk and almost see-through. Mark visibly perked up when he saw me drape myself across his little sofa, and I noticed him adjusting his trousers as he came over to me with his camera at the ready. Yep, I'd given my snapper a stiffy – a proud moment!

So Mark started taking the pics and I started moving around and getting into different poses, feeling the silk of my knickers stretch against my freshly-shaved pussy, and my nipples hardening in my skimpy bra. Mark did a professional job of keeping calm whilst shooting me from every angle, but the way he kept having to stop and deal with the bulge in his jeans was giving me very saucy feelings. I'd not had sex for months, and here I was, giving a good-looking guy in his thirties a hard-on, waggling my peachy bum in his face. I wanted to be as professional as I could, what with this being my first shoot, but hell, a woman has needs, right?

Well, the game was up pretty soon because I realised I was getting really wet, and there was no way my knickers were going to cover up that fact. As I lay back on the sofa and spread my legs wide, I felt my lips part with a soft smacking sound, and gave Mark a proper eyeful of my juicy pussy. The wetness had left a big dark stain on the sheer material, and he trembled as he photographed between my legs. And then I pulled the gusset to one side and softly gasped as I felt the cold air on my cunt.

Mark didn't know where to look, believe me. So I grabbed the camera from his hand, put it down beside me on the sofa and took hold of his shaking hand. I placed his finger at my clit and began circling it, gently rubbing myself with his hand. The sensation was incredible, but I couldn't tease either of us any longer – I forced him to stick a finger inside me and started riding against his hand.

Within seconds, I was climaxing against his knuckles, having let the sexual feelings build in me all that time. And as soon as I had finished

I FORCED HIM TO STICK A FINGER INSIDE ME AND STARTED RIDING HIS HAND

bucking against his hand, I pulled his finger out of me and set about freeing that bulge from his trousers.

Seconds later I was deep-throating his hard dick, coating it with my spit and sucking on his tight-as-fuck balls. I ran my tongue from his nuts up to the tip of his cock and back again, tasting the pre-cum that was already leaking from it. I didn't want him to blow his load just yet though, so I was careful to hold back every time I felt that he was going to lose it.

After I'd sucked him for a good ten minutes (anything less is a crime, and you can all tell your girlfriends/wives that from me!) I pulled him on top of me and gasped as his cock pushed its way into my wet pussy, rubbing against the knickers that I'd pulled to one side. His cock was a nice size and it filled me up nicely, and the angle that he fucked me meant that I could rub my clit against him as he drilled his prick inside me, so I got to come another two times whilst he was on top of me. Such a great shag, and totally unexpected too.

Once I'd had my third orgasm, I started whispering in his ear that I wanted him to spunk all over my body. I've had a fixation about being spunked on ever since I saw it in one of my big brother's pornos when I was a teenager, and a fuck just isn't a fuck for me unless the guy ends it by spraying jizz all over my body.

As you can imagine, Mark was happy to oblige, and he pulled out just as he started to reach his limit and grunted as he squirted thick jets of creamy jizz all over my face, my tits, my tummy and my cunt. Yeah, he had a lot of spunk to spare, and I loved feeling its warmth as he coated me in it.

I rubbed it into my skin and licked it from my fingers, then put the camera back in his hand and asked him to snap a few personal shots of me covered in jizz for my own private collection. He agreed, and by the time he'd taken a few he was hard all over again and ready to give me another creamy coating.

Now I'm sure you'd all like to see these snaps but, like I said, they're private. But take a look at the ones of me here and imagine me covered in spunk and you'd not be far off. In fact, feel free to spill some of your own on my shots to get a better idea of what it'd look like. I'd like that! x

CARLY

PHOTOGRAPHY:
HOLLY RANDALL

In a luxury apartment with large terrace and beautiful sea view, Carly is all smiles as she strips off her sexy undies for one of the best photographers in the business, Holly Randall.

Why this beautifully curvy brunette politely declined the offer to come to our central London offices to be snapped in front of a filing cabinet in 'Pod 14' is anyone's guess, but the fact is that she missed out on a real treat.

Perhaps the Ed. forgot to tell her that there's a Somerfield within easy walking distance for the provision of gourmet sandwiches and snacks, not to forget an Argos, where I'm sure Carly would've been able to pick up some quality branded homeware in the sale.

And really, who needs a gorgeous balcony area, clear blue skies and the sound of the ocean when you've got all the trappings of a 70s office block, featuring off-white panelled ceilings, colourful, flecked carpeting, and the low rumble of the air-conditioning mingling with the tip-tapping of keyboards and the twitter of vibrant chatter and laughter – the cheerful symphony of this thing we call the nine-to-five.

Yes, Carly might be gorgeous and very, very sexy, but for her to turn our invitation down does show signs of the onset of lunacy.

FOR WHOM THE BELLEND TOLLS

When Billy and I moved in together, just the two of us with no other flatmates, our sex life got such a boost. We could fuck all over our new flat and make as much noise as we liked. Strange as it sounds, though, I think I kind of missed the buzz of wondering did anyone know, could they hear my moans?

One morning, I called to Billy who found me sprawled out in the hallway, pussy splayed as I sucked on my juice-coated vibrator. I told him I needed a real cock inside of my cunt now, and I wasn't moving until I got one. He was hot, sweaty and hard after a morning workout, and I laid him on the tile to cool down, planting my pussy over his cock. As I rode him, cowgirl style, dangling my big tits over his mouth, I heard someone walk up toward our door. Billy seemed oblivious. "Come on, fuck me harder," I moaned, hoping whoever it was would hear me.

They rang the bell, and Billy froze. I wiggled up against his prick, trying to coax him to thrust again, but he stayed still. Another ring, and I nuzzled his neck, then raised my head and said the caller had gone. This wasn't true, in fact I could just about make out the bloke squinting through a small glass pane set in the door. I didn't know who the fuck he was – still don't – and I really didn't care.

I licked my lips, blew the guy a kiss, a tingle of dirty excitement shooting through my cunt. "Okay, I want to cum all over your cock," I told Billy and started to ride him hard, moaning and gasping dirty talk, letting my tits bounce and slap around freely.

"Slow down," Billy groaned, but I ignored him, riding him till I suddenly came really hard. Soon after, I felt his cock jerk and start to shoot in my hole. I pulled off of him and sprawled back, wanking his prick so that it spunked over my mound, the white ropes melting and sinking into my slit and hole.

He's used to me getting wild when we fuck, so he just slid out from under me, kissed me and said he was taking a shower, if I wanted to join him. I said I'd be there once I'd cum – I'd already picked up my vibrator. He looked a little

confused, like he thought he'd satisfied me already. "I just want to cum again," I said, so he shrugged and walked off.

I winked at the eye peeking through the glass and started to run the vibrator over my naked body, buzzing my nipples stiff before I skimmed it down over my belly. Then I parted my legs and laid my pussy open with my fingers before using it against my slit. I dipped it in my hole, knowing my voyeur would want to see that – and pounding it deep sensitised me when I pressed it to my clit.

Immediately, I began to squirm, my hot body shivering with pleasure as it made contact with the tile. My pussy was so wet it was hard to build up friction, then a tension seized hold of my entire fanny, before a wave of pleasure crashed through me.

I was trembling, sighing in ecstasy, but I still wasn't done. I flipped over, stuck my arse up in the air and then reached back, powering the vibe into my cunt. I stirred it around, finding the hottest spots, feeling the wetness run down the insides of my thighs. I could only guess at what the bloke was doing, probably wanking furiously as he watched me fuck myself. Then I shut my eyes, seeing stars as another even stronger orgasm hit. I slid down to lie on my tummy, my vibrator still inside of my pussy, just the last inch or so poking out. That's how Billy found me, breathing heavily, too fucked to move. But a long, slow cunt-licking got me ready again…

REVIEWS

PORN, GAMES, BOOKS AND EVERYTHING ELSE

Unrivaled

E1 Entertainment, £12.99

The prospect of watching a feature-length film about mixed martial arts filled me full of dread, as I anticipated a series of unnecessarily brutal fights strung together with terrible acting and a half-cocked storyline. Thankfully, *Unrivaled* exceeded all my expectations.

The action follows Ringo Duran, a cage-fighter who loses most of his bouts because he's got a dodgy arm and, unlike his unprincipled opponents, he always plays by the rules.

So when Ringo's manager enters him into a big tournament everyone thinks he's going to take yet another battering, but after his ex-nurse girlfriend manages to fix his knackered arm he gets a new lease of life, and suddenly this perennial canvas-kisser is knocking the shit out of everything in his way. A throwback to the early Van Damme films of the late-80s and featuring some genuinely jaw-dropping fight sequences, *Unrivaled* is a decidedly above average martial arts flick.

Bounce

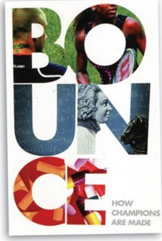
4th Estate, £12.99

If you've ever been watching sport on telly and wondered exactly how these people came to be so bloody good at what they're doing, then this is definitely the book for you.

Drawing on his own journey to becoming Britain's number one table-tennis player as the basis for his argument, award-winning journo Matthew Syed carefully deconstructs the reasons behind why people become champions, and shatters the myth that it's all purely down to this abstract thing we call 'talent'.

Engagingly written and genuinely absorbing from the outset, Syed examines, amongst many other things, factors such as luck, circumstance, practice, and attempts to explain how individuals such as David Beckham, Venus and Serena Williams, Jack Nicklaus and, indeed, he himself, managed to become masters of their disciplines.

Bounce is a fascinating read that will change the way you view your heroes forever, but a word of warning: it might make you wish you'd tried harder in P.E or hadn't skipped footy training just because it was pissing it down.



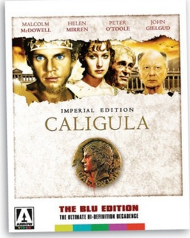
Caligula – The Blu Edition

Arrow Video, £19.99

As a movie that has gone down in history as a chaotic, turbulent mess featuring six-minutes of hardcore porn, it's little surprise that the story behind the making of *Caligula* is more entertaining than the film itself.

Transformed by main financier and then *Penthouse* Editor Bob Guccione from historical drama into a flamboyant, decadent, outrageous monster of a movie, and featuring an incredible cast including the likes of Malcolm McDowell, Helen Mirren, Peter O'Toole and John Gielgud, *Caligula* was plagued with acrimony from the outset, with mud-slinging between writer Gore Vidal and director Tinto Brass and several actor walkouts setting the tone for production, the director himself finally being booted off set.

The result is an overblown obscene orgy of a movie, an indulgent and sometimes shocking tribute to the excesses of the Roman Empire, and one that has become essential viewing for those very reasons. Sit back and enjoy the high-def insanity.



Harpoon: The Reykjavik Whale Watching Massacre

E1 Entertainment, £12.99

So you're on a boat trip looking forward to having a look at some whales when suddenly the Captain dies and the First Mate jumps overboard after trying to rape a passenger – pleasant excursion ruined. And this is what happens to a bunch of tourists in *Harpoon: The Reykjavik Whale Watching Massacre*, a gory slasher movie that owes much to its Texan namealike, even featuring Gunnar Hansen, the original Leatherface, for a brief appearance as the rather unfortunate Captain.

Where in *The Texas Chainsaw Massacre* irritating teenagers are tormented by a bunch of land-based inbred weirdo hicks, in *Harpoon* annoying holidaymakers are 'rescued' by a family of'Fishbillies', who take the whale-botherers to their boat and pick them off one by one in stomach-churning fashion against the terrifying isolation of the bleak yet beautiful Icelandic scenery.

Featuring some genuinely scary moments, loads of blood and a couple of clever twists and turns, *Harpoon* is a short, sharp shocker that should give fright fans a whale of a time.

PRIVATE WORLD CUP
FOOTBALLERS' WIVES

The biggest and best sporting tournament on the planet is almost upon us, and with the footballer's wives and girlfriends set to get nearly as much coverage as the players themselves in South Africa this Summer, it's no surprise that Private have released this cheeky hardcore spoof of the 'WAGS' saucy extra-curricular activities. Apart from sexy brunette Bobbi Starr, who makes for a fairly convincing Victoria Fuckham – the wife, of course, of England midfielder David Fuckham – the namealike pairings are all pretty tenuous and comical.

Amy Brooke plays Paris Cliton, girlfriend of Cristiano Donaldo, no doubt in reference to the alleged fling Paris Hilton and Ronaldo had last year, and leggy babe Carla Cox is Leslie Trash, the wife of Randyaldo, although we always thought Leslie Ash was married to former Leeds and England striker Lee Chapman, but hey ho. While the WAG details are a touch hit and miss, the shagging is spot on. Victoria Fuckham takes it up the arse, and the very cute Paris Cliton gets lezzy before taking cock all ways in a cracking interracial scene. The standout scene, however, is definitely the group orgy in the gym, with the WAGS putting their fellas through their paces and ending up in a sweaty heap. A World Cup winner.

Digital Playground

POV movies tend to divide porn fans. Some love the fact that the scenes are shot from a perspective that makes it look like you're actually up-close-and-personal and fucking the pornstar in question, and not just sat in your living room bashing one out over her getting a good shafting.

However, others hate the fact that the action is essentially just a girl writhing around while random hands and a big dick pop into view and do the job for you, begging the questions: Why try to make it look like I'm shagging the bird when it's so bloody obvious that I'm not? And who owns that cock, anyway? Safe to say, if you fit into the latter category then this filthy flick will probably piss you off no end, but if you're the kind of bloke who enjoys getting right in amongst the action while another man's various appendages slip between the model's tits and slot into her soaking pussy, then *Jack's POV 15* will be your kind of movie.

Featuring the likes of romping redhead Faye Reagan, the stunning Tori Black and new Digital Playground contract girl Rio Valentine, all playing up to the camera and behaving as though the viewer is screwing them and not a random cocksman, with the right amount of imagination you might just be able to trick yourself into believing that it's you making them moan.

The Anal Boutique

Sweetmeats

Billed as 'The porn that brought down Parliament!'– allegedly it was this very movie that former Home Secretary Jacqui Smith's husband Richard Timney, watched on pay-per-view TV before trying to charge it to parliamentary expenses – *The Anal Boutique* already has its place in political history. The question is, was the wanking session Timney no-doubt had over the likes of Avalon and Katie K getting stuffed up the arse worth the *Daily Mail* fuelled furore that followed? We're guessing probably not in hindsight, but after watching this I dare say he at least would've enjoyed a volley of healthy tugs before the shit hit the fan.

The action kicks off with sultry brunette beauty Avalon, who goes into the boutique in search of sexy underwear and ends up getting an anal pounding from the manager, right there on the shop floor. Coincidentally, curvy blonde Caz pops in to stock up on frillies and a horny threesome ensues. With the action coming thick and fast, Valery Summers gets a good shafting against the shop front door, before Brit babe Katie K, acting all innocent and cute, enters this bawdiest of boutiques for some superb strap-on girl/girl action. If ever a porn movie had to bring down Parliament, you'd want it to be one of the calibre of *The Anal Boutique*.

NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

1000AWESOMETHINGS.COM

Okay, so this award-winning blog isn't exactly new on the scene, but having only just found out about it myself I thought I'd highlight the joys of *1000awesomethings* for those of you who might also not yet have stumbled upon its many charms.

Set up by Neil Pasricha back in 2008 after his best-friend committed suicide and his marriage had begun to hit the skids, *1000awesomethings* is devoted to life's simple pleasures.

Like the shelf of assorted beers left in your fridge after a party, sleeping in fresh bed sheets, living with someone who doesn't mind killing spiders or hearing a stranger fart in public, these are the beautiful yet relatively insignificant things that make up the fabric of everyday life, a reassuring and comforting presence in a time when all we seem to hear about are terrorist attacks, murders, global warming and the world in general being basically fucked.

> "THE BEAUTIFUL THINGS THAT MAKE UP THE FABRIC OF LIFE"

Wittily written and promising a new entry every day until the list numbers 1000 – he was up to nearly 500 at the time of writing – this blog might just help you remember that the best things in life are often the most simple, and even if you're a couple of grand overdrawn, your job's a load of shit and your wife is fucking your best mate, you can always find solace in those awesome little things that make life worth living. Or by beating the crap out of your best mate...

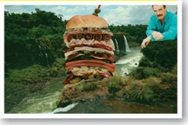
THEREIFIXEDIT.COM

As anyone who has ever bodged a D.I.Y. job has no doubt found, it's usually much quicker and easier to do it that way. However, this lazy approach to maintenance generally results in some hilariously bad patch-up situations, and it's these that are celebrated at *thereifixedit.com*.

From the individual who thought it might be cheaper and less hassle to fix a broken car door handle with a fork and an elastic band, to the ceiling fan rather alarmingly held up with a solitary screwdriver, images of shoddy workmanship can be found here in all their glory, no doubt while the perpetrator sips a can of strong lager and watches *Channel 4 Racing* in vest and underpants, congratulating himself on a job well done. However, the airplane emergency exit worryingly patched with duct tape is possibly a bodge too far...

SELLECKWATERFALLSANDWICH.TUMBLR.COM



The internet is a great outlet for weirdness. What happened to people's random imaginings before the dawn of the world wide web is anyone's guess, but now, if someone wants to devote a small part of cyberspace to their dreams about *Magnum* star Tom Selleck, waterfalls and various sandwiches, then it's entirely possible, and just to prove it that's exactly what Greg Szmurlo has done.

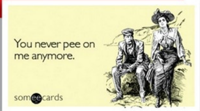
Yes, it sounds like a load of toss, but it's actually much funnier than that. Images of Selleck circa *Ripley Down Under* era sit alongside his more celebrated *Three Men and a Baby* and *Magnum* days. Corned beef sandwiches rub shoulders with greek lamb and seafood salad, and the waterfalls are mostly rather magical. Really, this one has to be seen to be believed.

GRAPHJAM.COM

Graphs are very rarely funny. Indeed, they're mostly just ways of presenting incredibly boring information so it at least looks nice and colourful, perhaps even tricking you into looking at it for a while. However, the people at *graphjam.com*, not to mention the users who submit their humorous and rather creative bar charts, venn diagrams and various other styles of graph to the site, have a slightly different approach to the otherwise fairly mundane world of easy on the eye information presentation, not to mention the type of information presented.

Forget your profit, loss, distribution and productivity bollocks, because on this website it's all about the important stuff. What makes up your average pop song lyrics or reality show? What would you do during a zombie apocalypse? When are you most likely to sneeze? Graphs, but they'll make you laugh...

SOMEECARDS.COM



You never pee on me anymore.
someecards

If you've ever remembered someone's birthday right at the last minute and tried to compensate for not sending a proper card by emailing over an 'ecard' then you'll know that the choice can be pretty dire. Uninspiring, unfunny, dull... the chances are that shitting someone's inbox up with one will get you into more trouble than forgetting about the birthday in the first place.

Thankfully, *someecards* has arrived to change all that. Featuring genuinely witty pictures and captions that should set the recipient a giggling, the quality of the free missives here could even have them forgiving you for being such a lazy, forgetful bastard. Not just for birthdays, but for anniversaries, Christmas, get well soons, congratulations and even flirting and workplace banter too, with the help of this site you might never have to stump up for a card and stamp again.

NICOLE

PHOTOGRAPHY: ANDREW HAYEK

Nicole looks like the classy sort. The type who eats champagne and sips Ferrero Rocher while lying on a bed made of diamonds with a duvet made of the Turin shroud. The type, in fact, we'd never stand a snowball's with.

"Do shut up," she orders us impatiently. "I can't stand this nonsense about me being too posh for certain kinds of man. Okay, I was raised well, and I know where all the cutlery goes, but give me a bit of rough before some preening David Cameron type any day of the week."

This is music to our ears, go on...

"Well, just because my tastes are refined doesn't mean I don't like to play dirty. Yes, I like opera, but I hate opera bores. I'd rather go to a pub afterwards and find a man who shares my opinion of dirty, sweaty fucking. I reckon I can fuck with the best of them, and middle-class men my age are too concerned with their appearance than putting their tongue and cock in all the right places. They have to be wearing the right label, when I want a man in jeans who gets out of them quickly when my pussy needs a dick in it."

This gets better and better...

"I tell you what, however. I can't be doing with football banter. I don't care who Arsenal need for next season or if Benitez is going to stay at Liverpool. If you're talking about that to me, you're wasting your tongue."

Nicole, you were so close to being the perfect woman...

Nursing half a pint of best bitter in the deepest, darkest recesses of the magazine, it's our self-opinionated beer-addled font of all knowledge…

Alcoholic Anecdotes
(Election Special)

"When John Cleese appeared on *Desert Island Discs*, he asked if he might take one book and two objects. Which objects did he wish to bring? A papier-mache replica of Margaret Thatcher and a baseball bat!"

"Now I'd never be one to side with Adolf Hitler, but he did come out with the odd cracker. One of his famous lines is that, 'Sooner will a camel pass through a needle's eye than a great man be discovered by an election'. A quote that definitely applies to this year's shower!"

"Stalin once apparently said that, 'It is enough that the people know there was an election. The people who cast the votes decide nothing. The people who count the votes decide everything'. In some areas of England it was the people who run the polling stations who could've decided some results in our General Election!"

"I read a quote in the paper the other day from some famous American commentator which made me laugh. He said that, 'We always want the best man to win an election. Unfortunately, he never runs…' How true!

I reckon we should get Terry Wogan to have a go, he's always seemed like a good bloke, or that fella with the beard who does *Deal Or No Deal*. I sometimes watch that when I go home for my tea."

Snug Jokes

"So I got home one day after a few pints and the phone was ringing. I picked it up and said 'Who's speaking please?'

And a voice said 'You are'."

"So there's two fat blokes in a pub. One says to the other, 'Your round'.

The other one says, 'So are you, you fat bastard'."

"A man walks into the doctors. He says, 'I've hurt my arm in several places'.

The doctor replies, 'Well don't go there any more'.

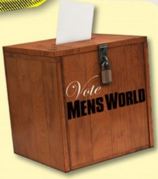
"I ate a ploughman's lunch the other day. He wasn't very happy."

The Games Room

So the traditional run of injuries to the England squad just before a World Cup has begun, with midfielder Gareth Barry the latest to be sidelined. Well, so it said on that *Sky Sports News* the other day when the landlord had it on.

We've already got Beckham out, Aaron Lennon always seems to have some knock or other, and it's probably only a matter of time before Rooney stubs his toe, or whatever it was he did at the last tournament.

Current Affairs Corner



"That General Election was a right bloody fiasco. They had long queues at the polling stations, people getting turned away at closing time who wanted to vote – bloody students who'd been in bed all afternoon no doubt! – and after all that they couldn't even find a proper winner to lead the country. Absolute rubbish!

Personally I think they're all as bad as each other these politicians, and nothing ever really changes whoever gets in. Well, I say that, because the price of a pint of bitter in here went up 16p last year, which was a bit of a blow.

Still, I used my heating allowance to cover that, as I don't really need it because I'm usually in here for most of the day.

A little word of advice to all those people who bugger around working and saving up for cars and houses – if you just sit in your local pub all day savouring a couple of pints you don't really get bothered by the so-called credit crisis!"

"People are always coming in here telling me that they've been on holiday to some European city or other and got the flights for 50p or something. Well I bet they weren't so bloody smug when that volcano in Iceland erupted and left them all stranded in funny little airports about 100 miles from the city they actually went to in the first place.

A bloke was chatting on a couple of weeks back that he got return tickets to Barcelona for the same money that I probably spend on beer every day, but then he said that the tiny airport was a two hour coach ride from the city, and you had to pay extra for it! What's the bloody point?

NOBEL PEACE PRIZE MEDAL

HITLER

"The average lead pencil will draw a line 35 miles long or write approximately 50,000 English words."

"The present global population of over 5 billion people is predicted to become fifteen billion by 2080."

"Hitler was on the short-list for the 1938 Nobel Peace prize."
